CHITALDRUG DIVISION.

Notice dated 9th November 1938.

The following road works will be taken up during the year by piece-work system. Those who are willing to take up the works are required to submit the rate list to the Assistant Engineer at Chitaldrug or Davangere as noted against each upto 2 P.M. on 28th November 1938.

The plans and estimates can be seen at the Office of the Executive Engineer on all working days during office hours between 11 A.M. and 5 P.M.

No earnest money need be deposited.

After scrutinising the several rates for different items of work, an average rate list will be prepared and orders issued to different piece-workers, who are willing to execute the works at these rates. Piece-workers are informed that rates quoted should apply uniformly to works in any section of the road allotted to them.

The works will be entrusted to the piece-workers in sections, as decided by the Executive Engineer.

The piece-workers have to execute mutchalika binding themselves to execute at the rates fixed by the Executive Engineer and after this is done, works will be allotted to them.
